Water Mills

Burcott Mill

Wookey, Wells, BA5 1NJ.
+44 (0)1749 673118

Burcott Mill is an old water mill, tea rooms and holiday accommodation situated in the Somerset town of Wookey. It produces about a ton of flour a week for sale in local farm shops and wholefood stores.

http://www.burcottmill.com/

The main production for this mill is wholemeal flour and spelt flour. You will need to check their website for opening times.

The product is of the finest quality and I can recommend this flour for all types of bread baking.
